Nov 19	Loop 101 Mobility Decision Support System	MCDOT
Dec	Arizona ITE/ITS Arizona Holiday Party	TBD

New Committees

Road Safety Committee – Mazen Muradvich, MCDOT

Recognizing the importance of safety in all facets of transportation and the desire to build on recent initiatives in the valley, this committee will focus on a variety of initiatives including, but not limited to, development of the annual Road Safety Summit held in conjunction with the Arizona ITE/IMSA Spring Conference, a technical session or workshop for the annual Rural Transportation Summit and providing an umbrella for Arizona STEP Emphasis Area Teams. The committee will also provide a forum for the exchange of knowledge about various local, regional and national safety programs, funding sources and research initiatives.

New Committees

Young Professionals – Shannon Ness, Kimley-Horn

The goals of the committee are to generate excitement amongst emerging transportation professionals about the future of the industry and to strengthen the transportation industry at a local level by bringing together emerging and established professionals from a variety of backgrounds.

To kick-start this effort, the Arizona Section has partnered with the Young Professionals in Transportation – Phoenix Chapter (YPT Phoenix). YPT Phoenix aims to create an environment for emerging transportation professionals to build lifelong relationships with their cohorts by providing access to a diverse group of professionals.

New Committees

Service & Outreach – Brandon Forrey, Peoria

The Arizona Section has participated in the Future City Competition for many years and has also been a past supporter of Greater Phoenix E-Week, but would like to do even more public outreach as well as holding regular service events to give our members a chance to volunteer and improve our community. The committee will also be responsible for coordinating with the Executive Board and other committees to actively promote our various activities using our website, email and social media as well as partnering with other groups, like ITS Arizona, APBP and YPT Phoenix to hold joint service activities throughout the valley.

A 2019 Mountain District OVERVIEW

Change Is HERE!

A Community of Transportation Professionals

Are You Ready For The NEW Mountain District?

A Community of Transportation Professionals

Well We're Ready For YOU!

A Community of Transportation Professionals

Starting January 1, 2020
We're OPEN!

Committee Updates

Arizona ITE/IMSA Conference – Skye Gentile

- Plan and organize the annual conference
- Manage steady growth in attendance
- Provide an interesting/educational program
- Solicit feedback for continual improvement
- Provide funding to support Arizona ITE/IMSA

Let us know if you're interested in being on the program committee or submitting an abstract for 2020!

Committee Updates

Membership – Sanjay Paul

- Membership directory will be available online
- Two PDF version will be available in the March and August timeframes
- Membership directory will be synched directly with International, so please update your info when you change jobs/info
- Sponsorship fee will increase to $350 to help fund all of the section's activities, including student support and is for calendar year
- Sponsors receive advertisements at all meetings, on website and in membership directory, plus job posting

Committee Updates

Nominations – Jenny Grote

- Beginning in 2021, will be chaired by the section Immediate Past President, consistent with new Model Section Bylaws
- If you are interested in serving on the board, I highly recommend you send a letter of interest to the chair and get involved!

Committee Updates

Road Safety Committee – Mazen Muradvich, MCDOT

Recognizing the importance of safety in all facets of transportation and the desire to build on recent initiatives in the valley, this committee will focus on a variety of initiatives including, but not limited to, development of the annual Road Safety Summit held in conjunction with the Arizona ITE/IMSA Spring Conference, a technical session or workshop for the annual Rural Transportation Summit and providing an umbrella for Arizona STEP Emphasis Area Teams. The committee will also provide a forum for the exchange of knowledge about various local, regional and national safety programs, funding sources and research initiatives.

Committee Updates

Service & Outreach – Brandon Forrey, Peoria

The Arizona Section has participated in the Future City Competition for many years and has also been a past supporter of Greater Phoenix E-Week, but would like to do even more public outreach as well as holding regular service events to give our members a chance to volunteer and improve our community. The committee will also be responsible for coordinating with the Executive Board and other committees to actively promote our various activities using our website, email and social media as well as partnering with other groups, like ITS Arizona, APBP and YPT Phoenix to hold joint service activities throughout the valley.

Student Liaison Committee 2018-19

- Helped identify presenters for 6 NAU student body meetings
- Hosted a joint meeting with ASU ITE in October 2018
- Provided ~$2,000 for students to travel to ITE events
  - Students from all three universities attended the spring conference
  - 2 U of A students attended the Student Leadership Summit
    - This was the first time Arizona Students attended the SLS!
  - 4 NAU students traveled to the Western District Annual Conference in Monterey, CA
    - This was their first WesternITE attendance
    - The students competed in the traffic bowl!
- Organized 2 student and young professional development sessions at the ITE/IMSA Spring Conference
- Moving forward, we will have two representatives from Arizona on the District Level Students and Young Professional Committee

Student Liaison Committee 2019-20

- Plan to introduce more student-focused activities at our Spring conference
  - Possible Traffic Bowl Event, with involvement from the new Mountain District
- Mountain District will need to have 6 student chapters to participate in the District Level Traffic Bowl in Hawaii if we want to participate in the International competition
- We are providing up to $1000 in travel assistance to each chapter
- Sam Taylor (Scottsdale) will be joining the student committee to help with planning the Spring Conference activities
  - We are welcoming other people on this committee!
- Student members will be included in the ITE Directory for 2020

Please Contact the Students to Connect!

- If you are looking for student interns or mentees
- If you have a project you would like to talk about with students at one of their meetings
- If you would like to form a relationship with the universities
- If you would like to donate to the student chapters in exchange for some data collection near their campus

Committee Updates

Technical Committee – Anita Johari

- Aim and goal is to keep members informed about relevant research on new developments/methods/technologies in the national/international stage
- 2 webinars/1 technical presentation conducted in 2019
- 3 webinars/2 technical presentations planned

Committee Updates

Young Professionals – Shannon Ness, Kimley-Horn

The goals of the committee are to generate excitement amongst emerging transportation professionals about the future of the industry and to strengthen the transportation industry at a local level by bringing together emerging and established professionals from a variety of backgrounds.

To kick-start this effort, the Arizona Section has partnered with the Young Professionals in Transportation – Phoenix Chapter (YPT Phoenix). YPT Phoenix aims to create an environment for emerging transportation professionals to build lifelong relationships with their cohorts by providing access to a diverse group of professionals.

Committee Updates

Website – Deanna Haase

- Participated in OneITE SubTask Force to guide development of new district with focus on website/communications structure
- Updated website WordPress backend
- Maintain subscriptions, publish relevant content via posts/email
- Now working on transitioning to **StarChapter**
