December Newsletter

Hello Everyone!

Wow! Can you believe 2020 is almost coming to an end?

This is my last message as the Colorado-Wyoming ITE Section President. I have had the amazing opportunity to work with a talented team of professionals. It is a truly humbling experience. We all work together for common goals and trust in each other.

I would like to express my thanks and gratitude to my team for your time and dedication. I appreciate your selfless efforts from time to time. Best of luck to Brian Staley, your incoming President.

To all ITE members, please accept my heartfelt thank you for believing in me to serve in the Colorado-Wyoming ITE Section Board. It's a great honor and privilege. I cherished my time, learned a lot along the way, and have made many friends.

Be safe during these challenging times and wishing you good health, happiness, and success!

Susi Marlina
President
Colorado-Wyoming Section ITE

December Luncheon

Please join the CO/WY ITE Section for our December Virtual Meeting where we will swear in our new section officers and hear a technical presentation on the newly-opened Concourse B gates at Denver International Airport.

Date: **This Friday** December 11, 2020

Time: 12PM to 1:30PM

Location: Virtual - link to be emailed with registration

Topic: DEN Concourse Expansion Program

Denver International Airport (DEN) recently unveiled four new gates on the west side of Concourse B. This milestone marks the opening of the first of four Gate Expansion areas that will add a total of 39 new gates and extensive passenger amenities across all three concourses. Notably- the Concourse B expansion debuts DEN's first outdoor deck, where passengers can enjoy fresh air, outdoor seating and accompanying fire pits, a pet relief area and beautiful

mountain views. We hope you can join us for this exciting presentation!

This luncheon is FREE - please consider donating to the charities listed below!

In the Spirit of Giving...

In the spirit of giving, ITE is proudly continuing its annual **holiday food drive** virtually for 2020. In lieu of our regular luncheon registration cost, please consider donating to the following local charities:

[Denver Food Rescue](#): With a mission to produce health equity in Denver neighborhoods, the Denver Food Rescue saves high-quality produce and perishable foods that would otherwise be thrown away by grocery stores, farmers markets, and produce distributors. Food is delivered (often biked!) to Denver neighborhoods for direct distribution at No Cost Grocery Programs. [Click here to donate](#)

[Food Bank of the Rockies](#): As one of the largest private hunger-relief organizations in Colorado, Food Bank of the Rockies distributes more than 70 million pounds of food a year- enough to provide more than 156,000 meals each day to seniors, children and families in need. Future City - Seeking Judges

The 2020-21 Future City Competition Theme has been announced and we are going virtual. The Future City challenge this year is to **build a city on the Moon**; describing its location, sharing its innovative features; and, providing a detailed description of how the city uses two Moon's resources to create a self-sustaining home where humans can live, work and thrive.

We need judges for the deliverables detailed below. Judging will be online/virtual during January and early February, with the Regional to be held virtually on February 20th, 2021.

Five deliverables are judged for each team. You can choose to judge one type of deliverable or multiple.

- **City Essay:** Read 1,500-word essays about the team's lunar city and solutions to the 2021 challenge.

Judging Dates Jan 1 to Jan 17th, 2021

- **City Model Slideshow:** Teams bring their city to life using recycled materials. Judges explore a slideshow of images and captions of specific aspects of the city (e.g. infrastructure and services) and their solutions.

Judging Dates Feb 2 to Feb 16th, 2021

- **Project Plan:** Review each teams project plan used to help them plan and organize their project.

Judging Dates Feb 2 to Feb 16th, 2021

- **City Presentation Video:** Watch as a team explains their lunar city and solutions in a 7-minute video.

Judging Dates Feb 15 to Feb 20th, 2021

- **City Q&A:** Join a panel of judges for live, 10-minute Q&A sessions with teams, conducted via video conferencing. Guiding questions will be provided and you may also ask your own.

Judging Date Saturday Feb 20th, 2021

Please [sign up](#) as a Regional Competition Judge or Volunteer to help out. For more information contact Dr. Rebecca Spearot at colorado@futurecity.org or Omar Venzor at ovenzor@wsbeng.com.

ITE Membership - Renew Today!

It's that time of the year again. The holidays are here, we're reflecting on a difficult 2020, and looking forward to a better 2021. Be sure to continue to let ITE be a part of your professional life in 2021 – renew your ITE membership now! You should have already received renewal materials from ITE International. If you have not, please let our membership committee chair know and we'll figure out what happened. You can renew online at ite.org and skip the trip to the mailbox or the post office. If you are currently not a member, please visit the ITE website to learn more about the [benefits of membership](#).

While you're on the ite.org website submitting your renewal, please review your membership data. A significant portion of our mailing list

is based on ITE International's database, so accurate information makes our job easier. The most common issue we see is members that have changed jobs and have not updated their contact information. There are also issues when companies change names and e-mail systems due to acquisitions and when students leave school to enter the working world. The more accurate your information is on ite.org, the easier it is for your Colorado / Wyoming Section to support you!
